CONTACT TRACING RECORD

Tasmanian Government

So that we can quickly identify possible contacts that may have been exposed to COVID-19, please complete the following information.

Venue/premises _____

Date	Time of entry	Name of person	Phone number

This information has been collected for the purposes of:

a. the management, detection, notification, treatment or prevention of the spread of COVID-19
b. managing the threat to public health, or likely threat to public health, as a result of COVID-19
c. ensuring compliance with, and enforcing, the *Public Health Act 1997*.

The information must not be used, or disclosed, other than as authorised under the *Public Health Act 1997*.
